12th All India Stone Architectural Awards 2025

It is a biennial competition organised by Centre for Development of Stones, Jaipur and is awarded to outstanding projects; the concept and technical procedures of which correspond to an idea of “Creativity and Excellence” in the use of natural stones from India.

AWARDS PROGRAM GOALS

- ▶ To honour excellence and innovations in usage of Indian dimensional stones in buildings & landscapes.
- ▶ To provide an opportunity to architects to demonstrate their exemplary works to fellow professionals and the public at large.
- ▶ To celebrate recent achievements of architects and firms in the field of usage of stones.
- ▶ To encourage public interest in stone architecture.
- ▶ To encourage stone industry to make a meaningful contribution in creating innovations in stone products and applications.
- ▶ To encourage usage of stones as green building material

AWARD CATEGORIES

Winners shall be selected in four categories, which are listed as under :

- Exterior Facings
- Interior Designs
- Landscaping
- Green Architecture

THE AWARD

The Award includes :

- A shield
- Citation; and
- Cash award of Rs. 100,000/- (Rupees One Lac only) in each category.

Should the award be given to two or more persons, the cash award will be divided equally between the winners.

ABOUT THE PREVIOUS AWARDS

Eleven editions have been held so far and the 12th edition will be held as per details given herein below :

ELIGIBILITY CRITERIA

Entries eligible for consideration for AISAA-2025 must necessarily adhere to the following requirements :
